Confidentiality Statement

As an authorized representative and/or corporate officer of the company or organization named below, I represent and warrant that my organization and its employees will not disclose any documents, diagrams, information, and/or information storage media made available to us by Consortium IV for the purpose of responding to this Request for Proposal or in conjunction with any contract arising therefrom. I represent and warrant that only those employees who are authorized and required to use such materials will have access to and use of them.

I further represent and warrant that all materials provided by Consortium IV will be returned promptly or destroyed after use and that all copies of the materials will be physically and/or electronically destroyed if my company or organization does not execute the Agreement with Consortium IV. I will include with the returned materials a letter attesting that my company or organization has returned all materials and destroyed all copies or derivations. If materials are not returned, but instead destroyed, I will submit a letter attesting to the destruction of all materials, copies, and/or derivations.

I represent and warrant that, if my organization is awarded the Agreement by Consortium IV for the Project resulting from the Request for Proposal, it will not enter into any agreements or discussions with a third party concerning such materials prior to receiving written confirmation from Consortium IV that such third party has an agreement with Consortium IV similar in nature to this one and written consent from Consortium IV to enter into such agreements or discussions.
